## Lake Manyara, Ngorongoro Crater and Tarangire

### 3 Days

#### Day 1: Lake Manyara

Lake Manyara is located 2 hours from Arusha town and is a great beginning for a safari trip. You will be picked up from your location in the morning and drive through the Masaai land to reach the park. The park has a dense forest so you will get very close to black monkeys, blue monkeys and baboons. There are also elephants, giraffes and hippos in the park, if you are lucky you can even see the rare tree-climbing lions. The park has a very nice lake with plenty of birds. Lunch will be served inside the park with a beautiful view over the lake and the Great Rift Valley. The park closes at 6 pm and when you are content after the game drive you will go to one of the many hotels that are located around the park.

#### Day 2: The Ngorongoro Crater

The drive starts early in the morning and it takes approximately 1 hour to drive to the parks gate, the drive down the crater can take up to 3 hours. The crater is an UNESCO world heritage site and hosts a large variety of animals, and you have a big chance of spotting the Big Five. There are a great number of zebras, gnus and antelopes in the crater and at one of the picnic spots you will share you meal with relaxing hippos. The crater has one of the densest populations of lions in the world and there is a good chance you will meet them. After the day's game drive you will go to a hotel outside of the crater in Karatu town.

### **Day 3: Tarangire**

The drive starts in the morning and it takes around 1,5 hours to drive from Karatu to the park. The park has a great number of elephants and during the rainy season there is big river running through the park. Here herds of elephants, gnus, zebras and other animals come to drink. It is a beautiful sight and it can also be seen from the picnic place where you will have your lunch. In the park there are many big Baobab trees and a great population of birds. When you are satisfied with you game drive you will be driven back to your hotel or next destination.
